

**Doctor of Audiology (AuD)**  
**Entry-level Residential Program Fact Sheet with Student Outcome Data**

**A.T. Still University**

Home of the world's first osteopathic medical school, founded in 1892, A.T. Still University (ATSU) is a renowned healthcare education and training university and a leading educator in multidisciplinary whole person healthcare. ATSU's schools include the Kirksville College of Osteopathic Medicine, the School of Osteopathic Medicine in Arizona, the Arizona School of Health Sciences, the Arizona School of Dentistry & Oral Health, the Missouri School of Dentistry and Oral Health and the online College of Graduate Health Studies.

**Arizona School of Health Sciences**

The A.T. Still University-Arizona School of Health Sciences (ATSU-ASHS), located in Mesa, Ariz., offers doctoral and master of science degrees in a wide range of healthcare disciplines and strives to advance healthcare by educating compassionate, competent healthcare professionals. The School's interdisciplinary and technology emphasis, with incorporation of a philosophy of wholeness and treatment of body, mind, and spirit, creates an excellent professional educational environment.

**Doctor of Audiology (AuD)**

Audiology is the science of hearing and the study of audiovestibular processes. Audiologists are healthcare professionals trained in the development, anatomy, physiology, and pathology of the audiovestibular system, as well as the evaluation, rehabilitation, and psychology of hearing and balance impairment. In addition, audiologists provide counseling and training in the use of amplification devices and the remediation of hearing and vestibular disorders.

**Application Information**

The Doctor of Audiology program only accepts applications through the Communication Sciences and Disorders Centralized Application Service (CSDCAS). Applicants should apply by Feb. 1 to be included in the initial screening and selection process. All subsequent applications will be considered on a rolling admissions basis until remaining openings are filled. For additional program information and for instructions on how to apply, please visit [atsu.edu/aud-apply](https://atsu.edu/aud-apply). For program-specific information, contact Dr. Zarin Mehta, at 480.219.6261 or [zmehta@atsu.edu](mailto:zmehta@atsu.edu).

**Requirements for Admission**

1. Applicants accepted for admission into the Entry-level Doctor of Audiology Program will have earned a baccalaureate degree from an accredited undergraduate institution.
2. Applicants must have achieved an overall undergraduate grade point average of 2.70 or an overall grade point of 3.00 in the final 60 semester hours of undergraduate study (on a 4.0 scale).
3. Applicants must have achieved a grade point average of 2.50 in undergraduate science courses (on a 4.0 scale).
4. Applicants are expected to be computer literate and experienced in word processing. All curricula require extensive computer usage.

5. For the 2020-2021 application cycle, the Graduate Record Exam (GRE) is not required.
6. Applicants must submit three letters of recommendation through CSDCAS.
7. Applicants must submit a personal resume under “Other Documents” in CSDCAS or enter data in the Experiences, Achievements and Conferences Attended sections under “Supporting Information” in CSDCAS in place of a personal resume.
8. Applicants must complete all prerequisite courses by the end of the term prior to matriculation.
9. Applicants who are considered potential candidates will be required to participate in an interview. Personal interviews conducted on-site are preferred; however, interviews also may be conducted by telephone or video conferencing.
10. All students are required to demonstrate proficiency in English when applying to the ATSU-ASHS. You can find information on the methods by which you can demonstrate your English Proficiency in the General Admissions section. You may view ATSU International admissions requirements online at <https://www.atsu.edu/doctor-of-audiology-degree#requirements>.
11. Applicants who wish to be considered for more than one program must submit a separate application fee, official test scores required by each program, transcripts, and references for each health science program. Acceptance to ASHS is to a specific program and is not transferable to any other program. Application materials are not transferable from one application year to another.
12. Applicants are required to submit all official college or academic transcripts through CSDCAS.
13. Accepted students are required to submit to a criminal background check at their own expense prior to starting the program.
14. Prerequisite course work:
  - Biology - (e.g., biology, microbiology, anatomy, neuroscience/neuroanatomy, physiology, histology, cell biology, genetics) Minimum of 3 semester/4 quarter hours
  - English - (e.g., writing/composition, grammar, literature) Minimum of 3 semester/4 quarter hours
  - Humanities - (e.g., philosophy, religion, literature, fine arts, logic, ethics, foreign language, history) Minimum of 3 semester/4 quarter hours
  - Statistics/College Algebra or higher - Minimum of 3 semester/4 quarter hours
  - Social Sciences - (e.g., general psychology, cognitive science, linguistics, sociology, anthropology) Minimum 6 semester/8 quarter hours
  - Physical Science - (e.g., chemistry, physics, electronics, geology) Minimum of 3 semester/4 quarter hours the program.

## **Tuition and Expenses**

Tuition for the Doctor of Audiology program for the 2020-2021 academic year is \$24,102 per year for first-, second-, and third-year students. Tuition for fourth year students for the 2020-2021 academic year is \$22,602. There is also a \$1,150 per year educational supply fee. All tuition and fees are subject to change.

**Financial Assistance**

Financial support, including private and federal loans, is available for students accepted into the Doctor of Audiology program. The Enrollment Services department assists students in developing a comprehensive financial assistance package based on individual needs. Requests for information regarding loans and other financial assistance should be directed to [enrollmentservices@atsu.edu](mailto:enrollmentservices@atsu.edu). Scholarship and financial assistance opportunities are listed on the ATSU website at [www.atstu.edu](http://www.atstu.edu). Veterans Administration (VA) benefits may also be used.

**Accreditation**

The entry-level Doctor of Audiology (AuD) education program at the A.T. Still University – Arizona School of Health Sciences is accredited by the Council on Academic Accreditation in Audiology and Speech-Language Pathology of the American Speech-Language-Hearing Association, 2200 Research Boulevard, #310, Rockville, MD 20850, Phone 800.498.2071 or 301.296.5700.

**Student Outcome Data**

<b>On-time Program Completion Rates (4-Year Time Frame)</b>				
<b>Period</b>	<b># Completed within Expected Time Frame</b>	<b># Completed Later Than Expected Time Frame</b>	<b># Not Completed</b>	<b>% Completed within Expected time Frame</b>
