

Jeffrey L. Alexander, Ph.D., FAACVPR, ACSM-CES®

Associate Professor
Doctor of Health Sciences Program
Department of Interdisciplinary Health Sciences
Arizona School of Health Sciences
A.T. Still University
5850 East Still Circle
Mesa, Arizona 85206
480.219.6039 Phone
480.219.6122 Fax
jalexander@atsu.edu

EDUCATION

- May 2003 ARIZONA STATE UNIVERSITY POLYTECHNIC, Mesa, AZ
Doctor of Philosophy in Curriculum and Instruction with an emphasis in Exercise and Wellness.
Dissertation: The effect of strength training on functional fitness in older chronic obstructive pulmonary disease patients
- August 2000 BRIGHAM YOUNG UNIVERSITY, Provo, UT
Master of Science in Exercise Physiology, *Valedictorian*
Thesis title: Validity of a single stage submaximal treadmill walking test for predicting VO₂max of college students
- August 1998 BRIGHAM YOUNG UNIVERSITY, Provo, UT
Bachelor of Science in Health Promotion

EXPERIENCE

PROFESSIONAL EXPERIENCE

- 2009 to Present **Assistant/Associate Professor, Doctor of Health Science Program (Online)**
A.T. Still University, Department of Interdisciplinary Health Sciences, Mesa, AZ
- 2006 to 2009 **Assistant Professor, Master of Science Human Movement Program (Online)**
A.T. Still University, Department of Interdisciplinary Health Sciences, Mesa, AZ
- 2007 to Present **Research Faculty, Hartford Center of Geriatric Nursing Excellence**
Arizona State University, College of Nursing and Healthcare Innovation, Phoenix, AZ
- 2007 to 2008 **Adjunct Faculty (Research), Center for Metabolic Biology**
Arizona State University, Tempe, AZ
- 2005 to Present **Adjunct Faculty, Nursing and Health Sciences (Online)**
Chandler-Gilbert Community College, Chandler, AZ
- 2005 to 2007 **Exercise/Research Specialist, Department of Cardiovascular and Pulmonary Rehabilitation**
Banner Heart Hospital, Mesa, AZ
- August 2005 **Practical Exam Evaluator**
American College of Sports Medicine, Mesa, AZ

June to July 2005	Cardiovascular Test Technician CardioVascular Associates of Mesa, Mesa, AZ
2003 to 2004	Assistant Professor, Department of Physical Education Indiana State University, Terre Haute, IN
2004	Corporate Wellness Assistant Davis Gardens Westminster Village, Terre Haute, IN
2004	Fitness Consultant (Older Adult) Davis Gardens Westminster Village, Terre Haute, IN
2004	Group Fitness Leader (Older Adult) Sycamore Manor (Retirement Management, Inc.), Terre Haute, IN
2001 to 2003	Adjunct Faculty, Wellness Division Chandler-Gilbert Community College, Mesa & Gilbert, AZ
2000 to 2003	Graduate Teaching Assistant Arizona State University East, Mesa, AZ
Summer 2002	Teaching Internship Arizona State University East, Mesa, AZ
March 2002	Practical Session Lecturer American College of Sports Medicine – Health/Fitness Instructor Workshop, Mesa, AZ
1998 to 2000	Graduate Teaching Assistant Brigham Young University, Provo, UT
1998 to 2000	Cardiac Rehabilitation Aide. Utah Valley Regional Medical Center, Provo, UT
1997 to 1998	Psychiatric Technician. Utah Valley Regional Medical Center, Provo, UT
1997	Fitness/Nutrition Internship Apex Fitness and Nutrition, Provo, UT

TEACHING

COURSES TAUGHT

A.T. Still University, Doctor of Health Sciences Program (Online)

1. Literature Review for the Applied Research Project (DHS 901)
2. Proposal Development for the Applied Research Project (DHS 902)
3. Data Collection for the Applied Research Project (DHS 903)
4. Dissemination – Publishable Paper for the Applied Research Project (DHS 905)
5. Research Methods, Design, and Analysis (DHS 802)

A.T. Still University, Human Movement Program (Online)

1. Motor Control
2. Functional Anatomy
3. Professional Practice & Responsibility
4. Research Methods and Design
5. Physical Dimensions of Aging and Physical Activity
6. Psychosocial Dimensions of Aging and Physical Activity
7. Exercise Prescription for Older Adults
8. Motivational Strategies for Physical Activity among Older Adults
9. Introductory/Orientation Course for Incoming Students

Indiana State University

1. Introduction to Kinesiology
(Fall 2004 – Learning Community established with Communications 101)
2. Introduction to Exercise Physiology
3. Professional Experiences
4. Instructional Strategies in Fitness Settings
5. Fitness for Life

Chandler-Gilbert Community College

1. Introduction to Exercise Science and Physical Education
2. Physical Conditioning for Massage Therapists
3. Instructional Competency Lab: Cardiovascular Exercise and Activities
4. Fitness for Life, Beginning Fall 2006 to Present, Online
5. Healthful Living, Beginning Summer 2007 to Present, Online
6. Introduction to Exercise Science and Physical Education, Online

Arizona State University

1. Kinesiological Foundations of Movement Laboratory
2. Physiological Foundations of Movement

INVITED ACADEMIC PRESENTATIONS

- | | |
|---------------|--|
| November 2010 | Power Training in Older Adults: From Evidence to Practice. EXW 460: Theory and Application of Resistance Training, Arizona State University, Exercise & Wellness Program |
| August 2010 | Power Training in Older Adults: From Evidence to Practice. Innovations in Human Movement Science, Human Movement Program, A.T. Still University. |
| April 2010 | Power Training in Older Adults: From Evidence to Practice. EXW 460: Theory and Application of Resistance Training, Arizona State University, Exercise & Wellness Program |
| August 2009 | Power Training in Older Adults: From Evidence to Practice. Innovations in Human Movement Science, Human Movement Program, A.T. Still University. |
| April 2004 | Nutrition and Weight Management, PE 101, Indiana State University, Terre Haute, Indiana |
| April 2002 | Stress Management and Relaxation. Delivered to EXW 325 Lifetime Fitness, Arizona State University – East, Mesa, Arizona |

COURSES DEVELOPED

Dissemination – Publishable Paper for the Applied Research Project (ATSU, DHSc, Online)
Data Collection for the Applied Research Project (ATSU, DHSc, Online)
Literature Review for the Applied Research Project (ATSU, DHSc, Online)
Proposal Development for the Applied Research Project (ATSU, DHSc, Online)
National Academy of Sports Medicine, Senior Fitness Course (Co-Author)
Research Methods & Design (ATSU, MSHM, Online)
Professional Practice & Responsibility (ATSU, MSHM, Online)
Motor Control & Learning (ATSU, MSHM, Online)
Functional Anatomy (ATSU, MSHM, Online)
Physical Dimensions of Aging and Physical Activity (ATSU, MSHM, Online)
Psychosocial Dimensions of Aging and Physical Activity (ATSU, MSHM, Online)
Exercise Prescription for Older Adults (ATSU, MSHM, Online)
Motivational Strategies for Physical Activity among Older Adults (ATSU, MSHM, Online)
Introductory/Orientation Course for Incoming Students (ATSU, MSHM, Online)
Chronic Lifestyle Diseases (Indiana State University - syllabus developed and text selected)
Physical Conditioning for Massage Therapists (Chandler-Gilbert Community College - CGCC)
Healthful Living (CGCC, Online)
Fitness for Life (CGCC, Online)
Introduction to Exercise Science and Physical Education (CGCC, Online)

THESES ADVISED

Smith, K.L. October 2007 to Summer 2008. Thesis: Impact of Whole-Body Vibration on Flexibility.

Chun-Jung Huang, M.S. December 2004. Thesis: Physiological Determinants of Rowing Performance in Rowers and Non-rowers.

DOCTORAL DISSERTATIONS ADVISED (Committee Member)

Richards, P., McDonald, P., Wescott, W.L., & **Alexander, J.L.** (2009 to Present) Topic: The Impact of Strength Training on Older Adults Ability to Perform Activities of Daily Living.

DOCTORAL RESEARCH PROJECTS CHAIRED

Jones, B. November 2011 – March 2013. Comparison of Hospitalist Physicians' Religion and Spirituality to Other Physician Specialties.

Avery, C. November 2011 – March 2013. Prolonged Dysphagia: The Speech Language Pathologist's Role in the Decision-Making Process for Percutaneous Endoscopic Gastric Feeding Tubes.

Cherkis, F. November 2011 – March 2013. Social Media Use among Nursing Faculty.

Glavaz, G. November 2011 – March 2013. Physician Assistant Program Directors' Attitudes, Current Practices, and Future Plans Regarding Financial Compensation to Clinical Sites.

Haynie, J. November 2011 – March 2013. Prevalence of Depression among Graduate Students Enrolled in Various Health Professions Programs and the Association with Undergraduate and Current Graduate Experience.

- Keena, J. November 2011 – March 2013. Do Graduate Record Examination Scores Correlate With or Predict a Student's Success on the Physician Assistant National Certification Examination?
- Kupferer, K. November 2011 – March 2013. BMI and Atraumatic Femoral Neck Stress Fracture in Air Force Basic Trainees.
- Latham, E. November 2011 – March 2013. National Health Service Corps Physician Retention in Health Profession Shortage Areas.
- Honjo, M. November 2011 – March 2013. A Comparison Study Assessing Perception of Importance, Knowledge Level, Attitudes Toward, And Usage Of Sun-Protective Modalities Among Patients With And Without A Previous Diagnosis of Skin Cancer.
- Dischler, T. November 2011 – March 2013. Should Palliative Pulpectomy Be Included In Future Clinical Investigations To Reduce Risk Of Osteonecrosis Of The Jaw In Post-Menopausal Women On Long-Term Oral Bisphosphonates With Periapical Lesions? A Case Study.
- Falen, T. November 2011 – March 2013. Developing a Hospital-Specific Electronic Inpatient Fall Surveillance Program: Phase 1
- Altman, D.S. June 2010-August 2011. The Effect of the Community Oral Health Curriculum on Graduate's Dental Practice Choice and Volunteerism.
- De Marco, J.R. June 2010-August 2011. The Use of Relaxation Music in Cosmetic Surgery Patients.
- Eucler, J. June 2010-August 2011. Antibiotic Use in Canine Infectious Tracheobronchitis.
- Freeman, J. June 2010-August 2011. Perceptions of the Causes of Homelessness among Shelter Residents.
- Farberow, K. June 2010-March 2011. U.S. Undergraduate Students Study Abroad Global Health Care Risks and Knowledge.
- Hadjilambris, O.W. June 2010-August 2011. Hepatitis B Virus, Hepatitis C Virus, and Human Immunodeficiency Virus among Blood Donors in Cairo, Egypt.
- Abdenour, T.E. June 2010-August 2011. Development of the Athletic Low Back Outcome (ALBO) Scale.
- Samp, C.M. June 2010-August 2011. The Increase in a Man's Quality of Life with an Increase of Testosterone: Finding the Optimal Level of Testosterone.
- Rivera, D.C. June 2010-August 2011. Dancers' Perceptions of Injury.
- Pascual, G.D. June 2010-August 2011. The Effects of Nursing Hourly Rounding on Physician Care Composite Scores.
- Mortensen, H.J. June 2010-August 2011. Infection Control Professionals' Perception of Utilizing the Assistance of Medical Librarian Services and/or Other Resources for Evidence-based Medicine Research.

-
- Walker, L. June 2010-November 2010. Prevalence of Oral Human Papillomavirus in an At-Risk Population.
- Kemp, M.L. June 2010-August 2011. Parental Perceptions Concerning Vaccinations: Whatever Happened to the Mandatory Vaccination Program?
- Tidman, M.M. June 2010-August 2011. Measuring the Impact of an Educational Intervention on Family Satisfaction with Care in the ICU: A Randomized Controlled Trial.
- Miner, P. June 2010-August 2011. Caregivers Beliefs and Concerns Associated with Medication Adherence Among Children and Adolescents with Epilepsy.
- Rimkis, R.C. June 2010-August 2011. The Relationship between Upper Body Strength and Running Performances in Female High School Distance Runners.
- Saldutti, S.R. June 2010-August 2011. Physician Assistant to Medical Doctor/Doctor of Osteopathy Bridge Program.
- Yeaman, P. June 2009-August 2010. Title: Relationship of Physical and Functional Independence and Perceived Quality of Life of Veteran Patients with Alzheimer's Disease.
- Bowdel, S. June 2009-August 2010. Title: Systematic Review of the Efficacy of Naltrexone, Acamprosate, and Topiramate for the Treatment of Alcoholism.
- Howell, J.R. June 2009-August 2010. Title: Anesthesia Choices in Total Knee Arthroplasty.
- Welsh, J. June 2009-August 2010. Title: Defensive Medicine: The Use of Computed Tomography in Minor Head Injury Patients
- Clontz, L. June 2009-August 2010. Title: A Novel Chemical Approach to Prevent Biofilm-Related Infections: The Use of Agilyte™ as an Adjuvant for Antimicrobial Therapies.
- Estrada, M. June 2009-August 2010. Title: The PACKRAT as a Predictor for Success on the PANCE when Administered during the Clinical Phase of Physician Assistant Training
- Okpala, PeterChris. June 2009-August 2010. Title: The Use of Non-Invasive Positive Pressure Ventilator (NIPPV) and Conventional Medical Care to Treat Respiratory Failure Arising from Acute Exacerbation of COPD: A Systematic Review
- Simmons, S. June 2009-August 2010. Title: SNAP Participation in Preschool Aged Children and Prevalence in Overweight and Obesity.
- Lai, L. June 2009-August 2010. Title: Relative Distribution of West Nile Virus RNA in Blood Compartments.
- Okpala, PaulChris. June 2009-August 2010. Title: A Close Comparison of Clinical Risk Factors for Coronary Artery Disease of a Small Group of Immigrant Asians and Caucasian Americans Working in an Urban Medical Center in Los Angeles County California: A Pilot Study.
- Pulver, K. June 2009-August 2010. Title: Perceived Outcomes of Worker's Compensation Patients Following Spinal Surgery: A Descriptive Analysis.

Zumbrink, U. June 2009-August 2010. Title: Healthy Eyes Healthy People® Study: Optometrists are Working with Patients to Reduce Diabetic Retinopathy.

Avery, D. June 2009-August 2010. Title: National Comprehensive Model in Conquering Infant Mortality Health Disparities among African-Americans.

Haynes, L. June 2009-August 2010. Title: Spinal Cord Stimulation: Understanding Why Patients with Failed Back Surgery Syndrome Decline Treatment.

DiDonna, T. June 2009-August 2010. Title: Teaching Pediatric Assessment Skills to Post-Operative Nurses in India.

Bagnol, L. June 2009-August 2010. Title: Indigos in Hawai'i: A Phenomenological Study of the Experience of Growing Up Indigo.

INVITED CONFERENCE PRESENTATIONS

Alexander, J.L. (2010). Exercise: Exercise prescription for frail elders. Arizona Geriatrics Society Summer Conference, Phoenix, AZ, August 2010.

Alexander, J.L. (2009). Strength Training in Pulmonary Rehabilitation: Current State of the Evidence. Arizona Society for Cardiovascular and Pulmonary Rehabilitation, Phoenix, AZ, May 2009.

Alexander, J.L. (2007). Exercise Prescription with Case Studies. Arizona Society for Cardiovascular and Pulmonary Rehabilitation, Phoenix, AZ, May 2007.

Alexander, J.L., W.T. Phillips, S.L. Pauley, C.L. Wagner, L.L. Smith, & C.L. Riley (2002). The effect of single set strength training on physical function among pulmonary patients – Preliminary results. Pulmonary Care Clinical Update. Banner Health System, Mesa, AZ, October 2002. (Poster)

INTERNAL GRANTS AWARDED

Research Grants

Funded

VQ ActionCare. Resistance Chair Equipment Grant, November 2008. (~\$7,340). Impact of High-Velocity versus Low-Velocity Resistance Training on Functional Fitness of Community Dwelling Older Adults. Principal Investigator: **Jeffrey L. Alexander, PhD of ATSU-ASHS**, Co-investigators: Melissa J. Benton, PhD, RN, CNS of Valdosta State University, Gerogia, & Cathy Stewart, BS, CHES of Mesa Good Shepherd, Mesa.

Soloflex, Inc. Soloflex WBV Platform, March 2009 (Equipment donation - \$445, Acquired in August 2007). Balancing and Vibration: Evidence for “drift-and-act” Control of Human Balance. Principal Investigator: John G. Milton, MD (Joint Science Department, Claremont Colleges, Claremont, California) Co-Investigators: Ohira, T. (Sony Computer Science Lab, Tokyo, Japan), Cabrera, J.L. (Stochastic Dynamics Laboratory, Center for Physics, IVIC, Caracas, Venezuela) Fraiser, R. (Joint Science Department, Claremont Colleges, Claremont, California), Gyorffy, J. Joint Science Department, Claremont Colleges, Claremont, California), Ruiz, F. (Joint Science Department, Claremont Colleges, Claremont, California), Strauss, M. (Joint Science Department, Claremont Colleges, Claremont, California), Balch, E. (Joint Science Department, Claremont Colleges, Claremont, California), Marin, P.J. (European University Miguel de Cervantes, Valadolliid, Spain), & **Alexander, J.L. (ATSU-ASHS)**.

Globus Sport & Health Technologies, LLC. Globus Physioplate GOLD vibration platform, August 2008 (Equipment loan – Value of equipment ~\$12,500). Balancing and Vibration: Evidence for “drift-and-act” Control of Human Balance. Principal Investigator: John G. Milton, MD (Joint Science Department, Claremont Colleges, Claremont, California) Co-Investigators: Ohira, T. (Sony Computer Science Lab, Tokyo, Japan), Cabrera, J.L. (Stochastic Dynamics Laboratory, Center for Physics, IVIC, Caracas, Venezuela) Fraiser, R. (Joint Science Department, Claremont Colleges, Claremont, California), Gyorffy, J. Joint Science Department, Claremont Colleges, Claremont, California), Ruiz, F. (Joint Science Department, Claremont Colleges, Claremont, California), Strauss, M. (Joint Science Department, Claremont Colleges, Claremont, California), Balch, E. (Joint Science Department, Claremont Colleges, Claremont, California), Marin, P.J. (European University Miguel de Cervantes, Valadolliid, Spain), & **Alexander, J.L. (ATSU-ASHS)**.

Globus Sport & Health Technologies, LLC. Globus Physioplate GOLD vibration platform, October 2008 (Equipment loan – Value of equipment ~\$12,500). The Impact of Whole Body Vibration on Static and Dynamic Balance in Older Adults With and Without Vestibular Dysfunction. Principal Investigator: **Jeffrey L. Alexander, PhD of ATSU-ASHS**, Co-Investigators: Tamara C. Valovich McLeod, PhD, ATC of ATSU-ASHS, Henry P. Trahan, AuD of ATSU-ASHS, & Pedro J. Marin, BS of European University of Madrid.

Bertec Corporation. Balance Equipment Loan Competition, November 2007 (Equipment loan – Value of equipment \$4,100). The Impact of Whole Body Vibration on Static and Dynamic Balance in Older Adults With and Without Vestibular Dysfunction. Principal Investigator: **Jeffrey L. Alexander, PhD of ATSU-ASHS**, Co-Investigators: Tamara C. Valovich McLeod, PhD, ATC of ATSU-ASHS, Henry P. Trahan, AuD of ATSU-ASHS, & Pedro J. Marin, BS of European University of Madrid.

A.T. Still University, Warner Grant, 2007 (Requested: \$3750.28) The Relationship Between Lower Extremity Muscular Power and Physical Functioning and Health Related Quality of Life Among Older Chronic Obstructive Pulmonary Disease Patients. Principal Investigator (PI): **Jeffrey L. Alexander, Ph.D.**, Co-Investigators: Carolyn L. Wagner, RN

General Cardiac Technologies, Inc. 2006 (~\$20,000, product, supplies, other research fees). Efficacy of the Heart Hugger™ Sternum Support Harness for Sternal Splinting Following Open Heart Surgery. Principal Investigator (PI): **Jeffrey L. Alexander, Ph.D.**, Co-Investigator: Carolyn L. Wagner, RN

ASU Graduate College, 2002 (\$2340). The Effect of Duration of Cardiac Rehabilitation Participation on Health Related Quality of Life. Summer funding for doctoral students to conduct approved research with chosen supervisor. PI: **Jeffrey L. Alexander**, Co-Investigator: Dr. Wayne T. Phillips

ASU Graduate College, Summer 2001 (\$1573). Initial Exercise Training Intensity is Not a Determinant of Adherence to a 12-week Ph II Cardiac Exercise Rehabilitation Program in Males and Females. Summer funding for doctoral students to conduct approved research with chosen supervisor. PI: **Jeffrey L. Alexander**, Co-Investigators: Dr. Wayne T. Phillips, Andrew Weiler, and Denise Gonzales

Chandler-Gilbert Community College, December 2001 through February 2003 (\$14,000 – strength training equipment). Effect of Strength Training on Functional Fitness in Older Chronic Obstructive Pulmonary Disease Patients. PI: **Jeffrey L. Alexander**, Co-Investigator: Dr. Wayne T. Phillips

Unfunded

NIH-NIA R03, November 2009. “Multi-frequency bioelectrical impedance to evaluate hydration in community-dwelling elderly.” Role: Consultant, Co-Investigator. Principal Investigator: Melissa J. Benton, PhD, RN, CNS of Valdosta State University, Other Co-Investigator: Maura C. Schlarriet, EdD, RN, CNL of Valdosta State University

A.T. Still University, Strategic Research Fund, 2008 (Requested: \$18,400). The Impact of Whole Body Vibration on Static and Dynamic Balance in Older Adults With and Without Vestibular Dysfunction. Role: Principal Investigator, Co-Investigators: Tamara C. Valovich McLeod, PhD, ATC of ATSU-ASHS, Henry P. Trahan, AuD of ATSU-ASHS, & Pedro J. Marin, BS of European University of Madrid.

Social Venture Partners, Arizona Grantmaking Program, Childhood Obesity Grant Cycle, March 2007 (Requested: \$30,000). The ONES Program – Targeting Childhood Obesity. Role: Co-Applicant. Principal Applicant: Marge Ebbeling of the WellCare Foundation, Other Co-Applicants: Cynthia Standley, PhD of ATSU-SOMA

Service Grants

Funded

St. Luke's Health Initiative, February 2012. (Requested: \$25,000, Received: \$20,000). Area Agency on Aging, Region One/ Arizona Fall Prevention Coalition, Home Health Care Tool Kit. Role: Consultant. Provided key content to proposal and provided feedback prior to proposal submission.

Indiana State University, Center for Public Service and Community Engagement, Liberal Learning in Action Grant Program (a project of Focus Indiana, which is a Lily Endowment funded program). Fall, 2004 (\$1,667). Active Family, Healthy Child Day. Role: Principal Applicant/Director

Indiana Campus Compact, Scholarship of Engagement Faculty Grant, June 2004 through June 2005 (\$4,912). Parents and Educators for Active Youth – A community health service website to increase awareness of a rising epidemic: childhood obesity. Role: Principal Applicant/Director

Unfunded

ATSU Women's Wellness Program, March 2012. (Requested: \$2650). "Arizona Falls Prevention Coalition: Home Health Agency Fall Prevention Tool Kit." Role: Principal Author

Travel Grants

Associate Students of Arizona State University, 2000 (\$100). Travel to ACSM Regional Conference – San Diego, Ca. Presentation title: Validity of a single stage submaximal treadmill walking test for predicting VO_{2max} of college students

RESEARCH ASSISTANTSHIPS

Summer 2000 Brigham Young University, Provo, Utah
Dr. Carol Wilkinson
Duties included assisting in the development of Physical Education pedagogy training CD-Rom through transcription of recorded teaching interviews. Also data entry of questionnaires and literature searches.

Winter and Summer 1999	Brigham Young University, Provo, Utah Dr. James D. George Duties included conducting submaximal cycle tests, developing data sheets for submaximal and maximal cycle/treadmill tests, recruiting students for exercise tests, compiling research articles pertaining to Cardiorespiratory exercise testing and assisting doctoral student in data collection.
------------------------	---

BOOKS/MANUALS/MATERIALS AUTHORED

Fall 2010	Fall Prevention Exercise Videos, Co-Creator. Available on the web at: www.azstopfalls.org .
Fall 2011	Senior Fitness Specialist Course Manual, National Academy of Sports Medicine. Co-Author.

SERVICE

UNIVERSITY SERVICE

July 2012 to Present	Chair, ATSU Aging Studies Project Advisory Committee, A.T. Still University, Mesa, Arizona
July 2009 to October 2009	Arizona School of Health Sciences First Annual Research Symposium Development Committee
June 2008	Faculty Enrichment ("Still Learning") Task Force, A.T. Still University, Mesa, Arizona
Dec 2007 to Present	Institutional Review Board, A.T. Still University, Mesa, Arizona
Jan 2007 to Present	Still-Wellbeing Steering Committee, A.T. Still University, Mesa, Arizona
2007 to Present	ATSU Geriatric Initiative Committee, A.T. Still University, Mesa, Arizona
Jan 2007 to Sept 2007	Cultural Competence in Education Committee, A.T. Still University, Mesa, Arizona
Sept 2003 to Dec 2004	Exercise Science Curriculum Revision Committee, Indiana State University, Department of Physical Education

PROFESSIONAL SERVICE

July 2012 To Present	Editorial Board Member, American Journal of Health Promotion
Sept 2011 To Present	Scientific Advisory Board Member, ActiveRx Rehabilitation
Nov 2009 To Present	Research Committee, American Association of Cardiovascular and Pulmonary Rehabilitation, Member

-
- August 2009 to July 2011 Visioning Board, International Council on Active Aging, Member
- Sept 2008 to June 2012 NCOA State Coalitions on Falls Prevention Workgroup, Evaluation Committee Member
- Sept 2008 to Present Arizona Falls Prevention Coalition Steering Committee Member
Governor's Office on Aging/Area Agency on Aging
- August 2008 to Present Aging Interest Group, Southwest Region Representative,
American College of Sports Medicine
- August 2008 to Present Aging Interest Group, Member, American College of Sports Medicine
- October 2007 to Aug 2011 Contributing Editor, American Journal of Health Promotion, Database Section
- July 2007 to June 2008 Social, Health, and Alzheimer's Committee & Falls Prevention Sub-committee of
the Arizona Governor's Advisory Council on Aging
- October 2007 Education Committee member for the 2007 Annual Meeting for ASCVPR
- January 2006 Chair of the Research Council, Banner Heart Hospital, Mesa, Arizona
(1 Year Appointment)
- January 2006 Team Captain, American Heart Association Heart Walk, Tempe, Arizona
for 2006 Heart Walk
- July 2004 to Dec 2004 Member of the Development Committee for the Healthy Choices for Life
Program: A community-based family centered program for the treatment of
childhood obesity, Terre Haute Family YMCA

INVITED PRESENTATIONS/LECTURES

- Sept 2012 Why Sit When You Can Stand (or Walk)?, StillWellcome Week, A.T. Still
University, Mesa, Arizona
- May 2012 Falls: A Serious Safety Concern for Older Arizonans, Community Health Grant
Contractor Meeting, Presented via Teleconference and Online Presentation
Software. Arizona.
- April 2012 A Matter of Balance: Volunteer Lay Leader Model, A Brief Introduction, Arizona
Falls Prevention Coalition, Phoenix, Arizona. Co-presenter.
- February 2012 Falls: A Serious Safety Concern for Older Arizonans, Maricopa Association of
Governments, Municipal Aging Services Project, *Planning for the Next 100
Years*, Phoenix, Arizona
- August 2011 Physical Activity and Nutrition, LDS Youth Group, San Tan Valley, Arizona
- May, 2011 Personal Fitness Merit Badge, Boy Scouts of America, San Tan Valley, Arizona

December 2007	Physical Activity and Exercise: Fit in 08: Exercise for Health and Function into the New Year, Pulmonary Pep Club, Banner Heart Hospital, Mesa, Arizona
January 2007	Safe Weight Loss, WomenHeart Support Network Mesa, Arizona Chapter Meeting
October 2006	Cardiac Disease Risk Factors, WomenHeart Support Network Mesa, Arizona Chapter Meeting
May 2006	Diet and Exercise: What's the "skinny" for those with chronic lung disease? Pulmonary Pep Club, Banner Heart Hospital, Mesa, Arizona
January 2006	Physical Activity and Health for Older Adults, Golden Vista RV Resort, Apache Junction, Arizona
April 2004	Exercise for Older Adults, Area Activity Professionals, Davis Garden – Westminster Village, Terre Haute, Indiana
April 2004	Physical Activity and Nutrition, LDS Relief Society Organization, Terre Haute, Indiana

PEER REVIEWER FOR JOURNALS

American Journal of Public Health
Journal of Cardiopulmonary Rehabilitation and Prevention
Geriatric Nursing
Arizona Geriatrics Society Journal
Respirology
Journal of Aging and Physical Activity
Clinical Interventions in Aging
American Journal of Health Promotion
International SportMed Journal
International Journal of COPD
International Journal of Nursing Studies

PEER REVIEWER FOR GRANT APPLICATIONS

Jan 2007 Alberta Heritage Foundation for Medical Research (Grant Application)
Topics: Cardiac Rehabilitation, Heart Failure, and Cardiac Resynchronization Therapy

CERTIFICATIONS

Aug 2008 National Academy of Sports Medicine – Corrective Exercise Specialist
July 2008 National Academy of Sports Medicine – Certified Personal Trainer
to July 2010

April 2008 A Matter of Balance, Managing Concerns about Falls, Master Trainer
to Present

June 2001 American College of Sports Medicine – Clinical Exercise Specialist®
to Present

April 2005 Advanced Care Life Support – American Safety & Health Institute
April 2007

January 2005	Basic Tobacco Intervention Skills for Medical and Allied Health Professionals University of Arizona Department of Health Services
-----------------	--

January 2002	Arizona Community College Teaching Certificate
-----------------	--

DISTINCTIONS & HONORS

2012	Scholar of the Year Award, Arizona School of Health Sciences, A.T. Still University
------	--

2010	Fellow, American Association of Cardiovascular and Pulmonary Rehabilitation
------	---

2005	Nominated New Investigator of the Year Award American Association of Cardiovascular and Pulmonary Rehabilitation
------	---

2001 to 2002	Graduate Tuition Scholarship Arizona State University, Mesa, Arizona
-----------------	---

2000	Valedictorian Brigham Young University, College of Health and Human Performance
------	--

2000	Keynote Speaker Brigham Young University, College of Health and Human Performance Graduation Ceremony
------	---

1992	Eagle Scout
------	-------------

PROFESSIONAL AFFILIATIONS

2011 to Present	American Society of Aging
--------------------	---------------------------

2003-05/ 07-09/11- Present	American Association of Cardiovascular and Pulmonary Rehabilitation, Member and Fellow.
----------------------------------	--

2005 to 2007/2009	Arizona Society for Cardiovascular and Pulmonary Rehabilitation. Member.
----------------------	--

2009 to 2010	American College of Sports Medicine, Member
-----------------	---

2007 to 2009	American College of Sports Medicine, Southwest Chapter. Member
-----------------	--
